

Echo Albums

What happens when the quality and craftsmanship of a traditional custom album meets a contemporary photo cover?

The Echo Album bears some of the best design features available including the industry's tightest gutter seam, true flush mounted layouts, damage-resistant rounded corners, multiple paper types and cover textures, Our price includes design, photographs, and album assembly.

All albums include these options:

- Choice of Luster or Metallic Paper
- Custom designed photo cover
- Panoramas look great across our industry leading 1mm gutter
- Tight rounded corners are perfect for protection from damage without sacrificing design space
- Optional square page corners
- Album spreads lay flat when opened.
