

# INTRODUCING **MOSAIC** ALBUMS

by BLACK RIVER IMAGING

The Mosaic Album is designed with unique leather covers and beautiful flush mount images inside. Would you prefer elegant, exotic or eccentric? It doesn't matter because we make it easy to select the perfect look and texture. These albums are available in a new variety of exquisite leathers and leather accents to make a unique one or two-tone cover. Our team of expert leather crafters will piece together your custom cover making it unique, one of a kind.

**AS A BONUS** - We are including a Premiere Album Box for presenting and storing these exceptional albums at no additional charge. A \$40.00 Value!

Mosaic features and options:

- Standard Flush Mount Page (same as Echo)
- Optional two-tone feature for uniquely designed covers
- Panoramas look great across our 1mm gutter
- Tight rounded corners are perfect for protection from damage without sacrificing design space
- Optional square page corners
- Album spreads lay flat when opened
- Cameo covers available in most designs
- Variety of leathers and cover designs
- Premiere Album Box for presenting and storing (see below)

## Premiere Album Box

These stylish boxes really bring a professional touch when presenting and storing an album. Each box has a magnetic closure, hinged lid opening and made of thick durable panels. Each box includes a black felt slipcover for added protection.

## Deluxe Leathers

These leathers have a soft smooth uniform texture. Deluxe Leathers are typically used as the main color in two-tone albums.

## Exotic Leathers

Exotic Leathers have distinct patterns and textures. They make great accent leathers in two-tone albums.

## Mosaic Albums

Base album includes cover with one leather, 20 sides (with prints), Premiere Album Box and Lacquer Spray.
