Dear Business Owner:

The Talbot Figure Skating Team (TFST), is a club that is dedicated to the advancement of our member's personal and athletic goals as a figure skater. Forming 11 years ago to create unity amongst our skaters; educate parents and skaters on the fundamentals of skating; to establish an identity to positively represent our home rink at Talbot County Community Center; and to initiate social activities and team bonding, we are 50+ members strong and are continuing to grow. In the past season we have hosted up to FIVE synchronized skating teams and most recently formed a production skating team! Our continued hope is to provide programs that are enjoyable, rewarding, and that will positively influence youth from Talbot and its surrounding counties. In addition to learning about the sport of figure skating, we also support community service projects throughout the season. Our anticipation is that by building well-rounded young athletes, they will be able to give back to our community in the most positive way.

We are writing today to request team sponsorship. Your generosity may be acknowledged in several ways with our different levels of sponsorship. The levels are outlined on the reverse side and we hope you will find one which will fit your advertising budget. In addition, through November 2019 sponsors are eligible to advertise with us and have their name printed on our Team T-Shirts. Your support, even at the this level, will assist in covering costs of some of our most basic needs, such as paying for ice time, coaches, uniforms/attire, insurance and competition fees. We want to share the opportunity to skate with all who show a desire!

We "thank you" in advance for your anticipated support. If you have any questions, please feel free to contact us via email info@talbotfigureskatingteam.org

Sincerely,

The Talbot Figure Skating Team Members
