celebrate life

newborn - 3 weeks

This is a great time to focus on all the little details - the hands, fingers, toes, and the special bond between a baby and parent. Mom and Dad should be dressed in long sleeved black shirts and pants or dark jeans. Baby can be dressed in a special 1st outfit

celebrate smiles

4 months

As your baby becomes aware of their surroundings, we'll capture their expressions as they begin to hold their head up. Colorful clothing and hats work well for this session.

celebrate growth

8 months

Baby should be sitting up by this session. Overalls, bloomers, or a simple, solid colored outfit works well.

celebrate one

1 year

Your baby will probably be standing for this session. Clothing choices include overalls, slip-dresses, bare, etc. We'll end the session with their own baby size birthday cake and capture their reactions in feeding themselves.
