2017 PHOTOGRAPHY PRICING

MINI SESSION \$99

Mini Sessions are a great way to experience working with a professional photographer in a shorter, seasonal, setting. All Mini Sessions are booked online via our homepage, making them super convenient for your busy lifestyle. Each Session is 20 minutes and includes 8 fully edited digital files plus one card template for you to download.

FAMILY SESSION \$400

In our fast-paced world of selfies and instant everything, we often overlook the opportunity to create a priceless family portrait to capture those moments in time. Let us work with you in creating a one of a kind piece of art for your home that will become an expression of your family time together as well as become a treasured heirloom for years to come. Each session is designed for immediate family members or portion, is approximately 1.5 hours and includes 25 fully edited digital files.

Extended family or reunion photo quotes available on request.

HIGH SCHOOL SENIOR SESSION \$350

You are completing one of life's major accomplishments with many more on the horizon. What better way to highlight your success by capturing it with a customized session of photography! We would love to help you create images unique to YOU that will tell your story for years to come. Each 2 hr. session includes 2 locations and 2 outfit changes. 20 Fully edited digital files will be included .
