“The things you love to do provide a window into your soul, and we’ll show everyone who you really are.”

# LET US CAPTURE WHO YOU ARE

Whether you're an athlete, an artist, a book lover or a music lover; whether you're a budding star, a lightning-fast runner, a cheerleader or a chess champion, we want to know your passions. The things you love to do provide a window into your soul, and we'll show everyone who you really are.

We'd love to photograph you doing what you do best and what you love most. Whether it's on the football field, out in nature, or at a neighborhood hangout that's special to you, we want to show you in your natural element, being yourself and doing what you're known for. Let us plan a session on location based on your interests and passions. We know you're more than a stiff pose and a formal backdrop. Let's show that.

**JUST BE YOU!**

# EXPRESS YOURSELF

You're gorgeous, inside and out. We'll capture your beauty in images you'll love.

You are a unique individual. You have style, and you know how you want to express yourself. Of course you want to look beautiful in your portraits, but we know you're gorgeous on the inside, too. We know just how to bring that out and preserve it in images you'll love.

You're more than just one person – you're an athlete, a scholar, a rocker, a fun-loving friend. During your photo session, we'll allow time

SHOW US  
YOUR STYLE!

for multiple wardrobe changes to highlight all of the many sides of your personality. We'll coordinate locations and outfits to reflect the real you, at your best. As we work with you to select locations for your photo shoot, keep in mind that natural light will be most flattering to your skin tone, giving you a radiant look that can't be captured in a studio. We want to help you feel confident and amazing in the locations that mean the most to you.

## PREPPING FOR YOUR SESSION

- Casual, jeans, jackets, etc
- Hats, sunglasses, jewelry

### PROPS

- Music instruments
- Sport/dance gear
- Skateboards
- Anything related to your hobbies and interests.

### HAIR

- Clean & styled
- Ladies: hair down and then up
- Guys: no hat hair
- Bring a comb or brush

### MAKEUP

- Don't overdo, but do put a little extra on.
- Please arrive camera ready.
- Bring extra M/U for touch-ups.

### NAILS

- Clean & polished, no chips

### BLEMISHES

- No need to worry we'll take care of it in editing.

# WARDROBE TIPS

- Avoid clothing with words or logos. Please dress in the color white sparingly, for this color often reflects light strongly.
- One outfit should be a simple, classic outfit for the grandparents, but don't be afraid to express your style with your other outfits!
- Please bring your clothes freshly ironed on hangers with coordinating accessories attached to save time.
- Variety is key! Bring dresses, jeans, casual, dressy, accessories, etc.
- I suggest bringing more outfits than you think you need. This allows me to help you make the final decision on what would best suit the look and feel you are trying to achieve.
- Hats, jewelry, scarves and fun accessories can be a very effective way to showcase your style.
- Ladies! Please be sure to wear the right undergarments! Sheer dresses require nude underwear and bra straps should not be showing. A strapless bra is a must!
- Fashion magazine are a great source for tips and inspiration!

A woman with long, wavy brown hair is leaning against a large, rusty metal door. She is wearing a white, strapless, knee-length dress and white high-heeled sandals. Her right hand is resting on a vertical metal beam to the right of the door. The background consists of a brick wall on the right and the weathered, rusted metal of the door on the left. The overall scene is outdoors, possibly in an industrial or rustic setting.
