

**WALDEN'S RIDGE UTILITY DISTRICT  
3900 TAFT HIGHWAY  
SIGNAL MOUNTAIN, TENNESSEE**

**CROSS-CONNECTION AND CONSUMER'S RESPONSIBILITY CONTRACT**

THIS AGREEMENT entered into by and between WALDEN'S RIDGE UTILITY DISTRICT, hereinafter referred to as DISTRICT and

\_\_\_\_\_ (Owner) (Lessee), residing at \_\_\_\_\_

hereinafter referred to as Consumer.

**WITNESSETH:**

That in consideration of the payment by the Consumer of a   \$ 50   **NON-Refundable Activation Fee** and a \_\_\_\_\_ **TAP PRIVILEGE**, the District agrees to furnish water to the Consumer for residential or business purposes, and the Consumer hereby agrees to purchase water from the District, subject to the terms and conditions hereinafter set forth.

- 1. Complying with the following provisions of the District's Cross-Connections Policy, "that no person shall cause a cross-connection to be made or allow one to exist for any purpose whatsoever".

This policy defines a cross-connection as: Any physical connection whereby the public water supply is connected with any other water supply system, whether public or private, either inside or outside of any building or buildings, in such manner that a flow of water into the public water supply is possible either through the manipulation of valves or because of ineffective check or back pressure valves, or because of any other arrangement.

( I ) ( We ) declare that no cross-connections, as prohibited by the District's Policy stated above, exists upon said premises as described above, and that ( I am ) ( we are ) the ( Owner ) ( Lessee ) of said premises and do hereby agree not to permit any cross-connection upon said premises.

- 2. It is further understood that there are water lines and facilities between the meter and ( my ) ( our ) place of residence for which ( I am ) ( we are ) responsible. It is also understood that if a leak occurs, a leak adjustment may be considered by the District. It is also understood that the District is not responsible for the maintenance of water lines beyond the meter. The District requires you to use copper for all service line from the meter to the dwelling AND urges you to install a pressure reducing valve with a working pressure of not less than 400 PSI (pounds per square inch)

**REQUEST TO DISCONNECT SERVICE**

A request must be made in writing by completing the District's Disconnection Request Form which includes the following: name on the account, service address, cut-off date, forwarding address, and a daytime telephone number where you can be reached.

**THE MAXIMUM ALLOWED BY LAW WILL BE CHARGED  
FOR ALL RETURNED PAYMENTS  
PAYMENTS ARE DUE BY THE 27TH OF EACH MONTH.**

**EFFECTIVE DATE FOR THIS CONTRACT:** \_\_\_\_\_

This contract shall be binding upon the parties hereto, their heirs, successors, and assigns. IN WITNESS WHEREOF, the parties executed this agreement on this the \_\_\_\_\_ day of \_\_\_\_\_.
