

Yellowstone National Park 2018

January 19th - January 26th

Yellowstone in the Snow:

Winter in Yellowstone is a Photographers Dream! Blankets of snow over vast landscapes in addition to amazing wildlife opportunities. Some of the subjects we will be shooting include: Bison, Elk, Trumpeter Swans, Wolves, Bald Eagles, River Otters, Coyote, Big Horn Sheep, and Moose not to mention the Landscapes, Rivers and Geysers. We will spend time in Lamar Valley shooting Wildlife, and we will be taking Snow Coaches to both the Grand Canyon of Yellowstone and the Lower and Upper Geyser Basins.

Snow Coach:

Snow Coaches accommodate up to 10 passengers. Our group will be limited to 8 to insure there is plenty of room for our gear.

Gardiner Montana:

We will be staying in the town of Gardiner Montana which is at the North Entrance of Yellowstone and located on the Yellowstone River.

Flexible Itinerary:

Our day to day itinerary may vary since the weather determines our schedule however, listed below is the outline of our plans :

January 19th:

*Arrive in Bozeman, MT and travel to our hotel in Gardiner.

January 20th:

*Lamar Valley

January 21st:

*Lamar Valley

January 22nd:

*All Day Snow Coach / Grand Canyon of Yellowstone

January 23rd:

*Either Sunrise or Sunset shoot depending on weather

*1/2 Day Peoples Choice (please see attached for local activities including guided hiking/ snow shoe cross country skiing and snow mobiling) These activities are not included in the price of the workshop and are up to each individual if you would like to participate.

January 24th:

*All Day Snow Coach / Upper and Lower Geyser Basin

January 25th:

*Lamar Valley

January 26th:

*Sunrise Shoot and Head Back to Airport

* **SPECIAL SESSION WEATHER PERMITTING** will be Photographing the Milky Way over Yellowstone since our trip coincides with the New Moon!

Deposits, Cancellations and Refunds:

\$500 per person deposit due to hold your spot.

61 days or more: \$300 cancellation fee

60 days or less: No Refund.

Travel Insurance is always recommended to minimize the risk of losses you would incur in the event of a delay of your departure due to weather and or any other delays out of your personal

control. In this case we will be flying into Montana / Yellowstone in the height of Snow Season,

I suggest you check into what is covered specifically in case the weather affects your flights.

There are several companies to choose from see one example here: <https://www.allianztravelinsurance.com/>

Payment in full is due by November 15th, 2017.
