WELCOME TO GOOMBAY'S TOUR KICKBALL TOURNAMENT

Goombay's Tour Kickball is a tournament that brings peers together in an atmosphere where youth and vitality can be channeled. It's not the same kickball you played in elementary school, it's more strategic and fast-paced with more intricate rules all in the name of fun. Goombay prides itself in creating a league based on good sportsmanship and integrity. If teams or individuals cannot abide by the rules, they should not participate.

General rules for softball apply. If there are any rules we may have missed here, we will default to American Softball Association rules. All calls will be made by the umpire and will stand. Goombay encourages its players to have fun first, and win second; all while networking and socializing, and building lifelong friendships.

Happy playing... and may the best teams win!

Goombay Kickball Code of Conduct

Goombay is committed to providing safe and enjoyable events for its participants. All players and coaches are held to a certain standard of behavior as follows:

1. Play fairly, and follow all rules and regulations.
2. Show respect for the game and league officials. Communicate with them in an appropriate manner.
3. Demonstrate good sportsmanship before, during and after games.
4. Be courteous to all teams. Treat players and coaches with respect.
5. Refrain from use of foul language and verbal abuse.
6. Operate within the rules and spirit of the game.
7. Absolutely no fighting amongst teams or players.

Infractions to any of these rules listed in the Code of Conduct may result in player or team suspension or expulsion from the tournament. Based on the severity of the actions, the player can be suspended for any number of games. It will be determined by a panel of Goombay staff members.

 - that the written scorebook kicking order was properly exchanged
 - that the claim is made on the field once the improper kicker has kicked or after that kickers' first pitch has occurred.
 - It is not an infraction if the improper kick hasn't kicked or the mistake was discovered right before the pitch or kick occurred.
 - Once the pitch or kick has occurred, the team with the infraction will take an out at that position and the next 'legal' kicker (other than the one that was up to kick) will step forward.

RULE 9- PITCHING/BACKCATCHING

9.1 -If the ball is bouncing higher than 1 foot off the ground (as measured from the bottom of the ball) when it reaches the plate then it shall be called a ball; however the kicker does have the option of kicking it if he/she wishes, and will accept the outcome of the play.

9.2 -If the pitch crosses the strike zone from the front, it is a strike; it must pass through the front of the "strike zone" at or before the plate. No "back door" strikes allowed.

9.3 -The pitcher must stay inside the pitching area on the mound until the ball is kicked. If the pitcher crosses outside of the pitching area, an illegal pitch will be called by the umpire and the kicker will receive a ball in the count. The kicker has the option of kicking the illegal pitch and will receive a "free" play.

a) **Free play:** Once a play is called an "encroachment or illegal" by the umpire, either by a pitcher or back catcher violation, the kicking team has a 'free' play. The kicking team can then choose to kick the ball and will take the best outcome of the play. I.e. The kicking team can still kick the ball and if the ball is caught, it will still be called a ball, and the kicker can re-kick, or if the kicker kicks the ball and gets on base, the kicker can choose to either take the 'ball' call or keep the base achieved. *(similar to the free quarter back play in football).

9.4 -If a pitcher or fielder makes an out by illegally advancing beyond the 1st-3rd base play line, the runner will be declared safe.

9.5 -Once the pitcher or any player has the ball in control and in the pitcher box, the play ends.

Backcatcher

9.6 -The Back catcher must stand behind the kicker in the designated back catcher line.

9.7 - Back catcher Line: The back catcher must stand within the designated back catcher line which is 6 feet behind home plate, and 8 feet in length across. If the back catcher passes the line before the ball is kicked, it will be considered a ball and a "free" play for the kicking team.

9.8 – If the back catcher stands further back than the maximum (designated line) stated above, the back catcher can have a running start, but cannot pass the line point prior to the ball being kicked. If this occurs the umpire will call "encroachment or illegal" and the kicker will either get a ball or "free play".

a) **Free play:** Once a play is called an "encroachment" by the umpire, either by a pitcher or back catcher violation, the kicking team has a 'free' play. The kicking team can then choose to kick the ball and will take the best outcome of the play. I.e. The kicking team can still kick the ball and if the ball is caught, it will be called a ball, and the kicker can re-kick, or if the kicker kicks the ball and gets on base, the captain can choose to either take the ball call or keep the base achieved. *(similar to the free quarter back play in football).

9.9 -The catcher cannot interfere with the kicker, including running in front of the kicker and obstruct the kicker's path to 1st base. The runner has the right a way. If the catcher interferes with the kicker and is called by the umpire, the runner will be awarded 1st base. This is a judgment call by the umpire.

9.10 -In **Co-ed play**, the fielding team cannot change the sex of the back catcher during an inning, for example, male for female or female for male.

RULE 10- KICKING

10.1 -All kicks must be made by foot, ankle or shin. If a ball is kicked by the knee it is considered a foul and therefore a strike.

10.2 -All kicks must occur:

A. At or behind home plate. The kicker may step on home plate to kick, however no part of the planted foot may be in front of or cross the front edge of the home plate

B. Within the kicking area. The kicker must have at least portion of the plant foot within the kicking area during the kick. The kicker may line up outside of the kicking box.

10.3 -Bunting is allowed.

Co-ed tournament play

- a) Males must kick the ball past the 1st and 3rd base play line. If a male bunts, the ball must reach the play like mentioned above prior to stopping its roll or be played by a fielder at any point prior to the reaching of the line to be considered fair.
- b) Any kick that does not reach the 1st and 3rd base play line will be considered a foul and therefore a strike. If the ball is fielded/touched before it reaches this line, it is in play and considered fair.
- c) Females can bunt with no restrictions.
- d) 3 balls (will be considered a walk)
- e) 3 strikes (will be considered an out), 3 fouls (all fouls count as a strike)

Women Tournament play

- a) All kicked balls past the 1st and 3rd base play line. If there is a bunt, the ball must reach the play line mentioned above prior to stopping its roll or be played by a fielder at any point prior to the reaching of the line to be considered fair.
- b) Any kick that does not reach the 1st and 3rd base play line will be considered a foul and therefore a strike. If the ball is fielded/touched before it reaches this line, it is in play and considered fair.
- c) **3 balls** (will be considered a walk)
- d) 3 strikes (will be considered an out), 3 fouls (all fouls count as a strike)
- e) Teams will play with nine (9) women in offense and a maximum nine (9) women in defense.
- f) Any team playing with eight (8) players will take an out in the missing spot on the kicking line up sheet.
- g) Unlimited pitching styles.
- h) Subs are allowed.
- i) Not everyone needs to kick (based on captain and teams philosophy).
- j) 9 Players maximum are allowed in defense and nine (9) minimum in offense.**
- k) All pitched balls must bounce twice prior to crossing the plate. The second
- l) Bounce cannot be on home plate.

10.4 -Any double kick is considered a foul and therefore a strike.

10.5 – In **Co-ed play only**:- A male kicker who receives (3balls/ a walk), intentional or not will be awarded one base unless there are two outs. If there are two outs then the male kicker shall receive two bases. In this scenario if the next kicker is a female, she will then go to 1st base or have the option to kick if she chooses; however, if the next kicker is a male, he must kick.

****** All male kickers walked with two (2) outs, will result in a two base advance for the male walked.**

10.6 -If the next kicker who is a male is also “walked” he will also receive 2 bases and depending on the field set-up could result in a player coming home.

10.7 -When kicking, the leg does not have to be in a forward motion to be considered a kick. If a pitched ball bounces off the foot or leg of a runner into fair territory then the runner is in play.

RULE 11-RUNNERS

11.1 -Runners must stay within the base line and touch each base accordingly per play.

11.2 –Runner must beat the ball (there is no tie). Runners may overrun first base only!!! The runner may be tagged and called out if they are off any base at any time unless overrunning 1st base. Sliding or diving back to any base after attempting to run is legal.

11.3 -Neither leading off base, nor stealing a base is allowed. A runner may advance once the ball is kicked. A runner off of his/her base when the ball is kicked is out.

11.4 -It is the responsibility of the runner to avoid a collision.

11.5 -If the runner intentionally uses the head or neck to block the ball, and is so called by the Referee, the runner is out. If the runner intentionally hits or kicks the ball after being tagged out, the ball is dead and all runners must return to their original bases.

11.6 -A runner is out if:

- A. They are tagged with the ball before reaching base.
- B. The ball gets to 1st base before the runner.
- C. They run more than 3 feet out of the base line to avoid being tagged.
- D. The ball touches the runner at any time even if it was kicked into the runner by any player including their own.
- E. If the runner going to first base touches the inside bag without trying to go to 2nd base.

11.7 -With an overthrow (a ball thrown, or deflected into foul territory while making a defensive play toward a player or base) a runner can commence base running as far as they can unless the ball is considered "out of play". If considered out of play, all base runners are allowed one base. The dug out area is considered out of play.

11.8 -Running past another runner is not allowed. The passing runner is out.

11.9 -A run scores when a runner touches home plate before the third out is made, EXCEPT that no run can score when the third out is the result of a force play, or when the kicker is put out before touching first base. At the end of a game the team with the most runs wins.

Tag-ups

11.10 - To tag up is to retouch or remain on the runner's base until (after) a ball has been kicked and remains in the air (without touching the ground). The ball either lands in fair territory or is first touched by a fielder. A runner must, by rule, tag up only when a batted ball is caught by a fielder. After a legal tag up, except when the ball is caught in foul territory, runners are free to attempt to advance. If the ball is caught in foul territory runners cannot advance. If the runner has not moved off of base before the ball is touched or caught, the runner may run forward without a forced tag up.

11.11 - If a fielder suspects a runner left early, a fielder after a caught fly ball can, with the ball in hand, appeal that the runner did not retouch his time-of-kick base by touching the runner or the runner's time-of-kick base before he, the runner, retouches the base, thus tagging the runner out. If the umpire agrees that the runner did not retouch after the ball was caught by a fielder, the umpire will call the runner out, regardless of what the runner had done after the ball is in play.

a). All runs which score before the appeal will count (except those scored by runners that are called out).

b). Remember the play is still live and runners can advance if the fielder is wrong.

***To tag up is to get an extra base on a fly ball without leaving the base UNTIL the fielder has caught the ball. If you leave the base before the ball is caught, then the fielder can throw the ball to the base you just left. Also, you should only tag up if there is 1 out or less.

First Touch

11.12 - Once the ball is kicked and remains in the air (without touching the ground) the runner may leave at their own risk, of tag up rule enforcement and being called out, however, if the ball is 'first touched' by a fielder but not cleanly caught (i.e. it is bobbled or caught by another fielder). The runner MUST return and tag up. The first touch rule does not **negate** a tag up unless the ball is dropped. If the ball is dropped the runner is free to advance, and does not need to go back and tag up. ***Remember, no runner can advance until the ball is kicked, so the runner must still wait till the ball is kicked.

This situation is usually referred to as the "DiMaggio Rule" referring to Joe DiMaggio

The rule in baseball and softball used to be, the runner could not advance on a tag up until the catch was made. So Joe used to get a fly ball into his glove and have it bounce in and out of his glove (up and down, like playing catch with himself in his glove) as he ran into the infield which means no one could leave because he technically never caught the ball. Then when he got into the infield, he would finally "catch" the ball. The rule was then changed in both games to "the first touch" so he couldn't do this anymore. So Goombay adopted this rule in kickball also.

RULE 12-Fielders

12.1 -Fielders must stay out of the base line. Fielders trying to make an out on base may have their foot on base, but must lean out of the baseline. Runners hindered by any fielder within the base line, not making an active play for the ball, shall be safe at the base to which they were running. When a defensive player has the ball

and the runner remains upright and crashes into the defensive player, it is considered a "crash". If found flagrant by the referee, the runner will be ejected.

12.2 -Hitting a runner's face, neck or head with the ball is not allowed, except when the runner is sliding, ducking or diving (referees judgment). Any runner hit in the face, neck or head is safe and advances to the base they were running toward when the ball hit the runner.

12.3 -The field make up can be any of the following combinations;

- A. Six (6) females + four (4) males
- B. Five (5) females + five (5) males
- C. Four (4) females + four (4) males
- D. Five (5) females + four (4) males
- E. Four (4) females + five (5) males

FOULS AND FAIRS

12.4 -A count of three (3) fouls is an out.

12.5 -A foul is:

- A. A kicked ball landing in foul territory
- B. A kicked ball landing in bounds, but traveling out of bounds on its own at any time before reaching first or third base (any ball touched by a fielder in fair territory is automatically in play).
- C. A kicked ball double kicked in foul territory.
- E. A kicked ball whose direction is altered by contact with any object other than the ground in foul territory, and called as such, is a dead ball.
- F. A kick made on or above the knee.
- G. A kicked ball stopped by the kicker in the kicking box.

12.6 -A fair ball is:

- A. A ball kicked that lands and remains in fair territory.
- B. A ball kicked that land in fair territory then travels into foul territory beyond the 1st-3rd crossing the base.
- C. A ball kicked that lands in foul territory but then travels into fair territory prior to being touched by the fielder is fair. Where the ball rests is what is called, as long as it meets the "male bunt line requirement".

OUTS

12.7 -A count of three (3) outs by a team completes the team's half of the inning.

12.8 -An out is:

- A. A count of three (3) strikes or three (3) fouls.
- B. Any kicked ball (fair or foul) that is caught.
- C. A ball tag on a base to which a runner is forced to run, before the runner arrives at the base.
- D. A runner touched by the ball or who touches the ball at ANY time while not on base while the ball is in play.
- E. A ball tag of a runner on base, in which the runner does not tag up their originating base when a ball is caught.
- F. A runner who starts off of his/her base before the ball is kicked.
- G. A runner physically assisted by a base coach during play.
- H. Any kicker that does not kick in the proper kicking line up (once the ball is pitched).
- I. A kick taken in front of the home plate, as noted by the kickers plant foot.
- J. A kicker touching or picking up the ball while at home plate ready to kick.
- K. A runner who is on the same base with another runner and is tagged with the ball. In this scenario the lead runner will be out, unless it is not a force then the 2nd runner will be out.

*** Three "balls" will be a walk in coed, Four "balls" will be a walk in the female tournament.

*** Hitting the base with the ball does not count as an out. The fielder must hit the runner with the ball or maintain control of the ball on the base on a forced run.

RULE 14- INJURY AND SUBSTITUTIONS

13.1 -In cases of injury or illness, a time-out may be requested for participant removal and replacement with a substitute of the same sex. If the participant later returns to play, the participant must be inserted in the same fielding and written scorebook kicking order position previously held.

13.2 -If a player is ejected, injured, or becomes ill and cannot continue, the written scorebook kicking order will continue in the same formation, less the removed player, which will now become an out.

13.3 -Any player removed from the game for injury or illness must be noted on both teams written scorebook kicking orders and mentioned to the umpires.

13.4 -The pitcher and the catcher positions may only be replaced once per inning unless injury forces another substitution.

13.5 -Only runners who are injured while traveling to a base, and who successfully make it to a base, may be substituted, once. The injured runner can only be substituted. All runner substitutions must be of the same sex. There are no other allowable runner substitutions.

RULE 15 –ENCROACHMENT

15.1 - Encroachment by fielders is prohibited.

15.2 -Encroachment occurs when:

- a. A pitcher fails to deliver the pitch in accordance with the division pitch rule.
- b. When any fielder (including the pitcher) crosses the encroachment line (bunt line) between 1st base and 3rd base line before the ball is kicked.

15.3- All encroachments are penalized by the kicking team choosing to:

- a) Take a "free" play.
- b) Once a play is called an "encroachment" by the umpire, either by a pitcher or back catcher violation, the kicking team has a 'free' play. The kicking team can then choose to kick the ball and will take the best outcome of the play. i.e. The kicking team can still kick the ball and if the ball is caught, it will be called a ball, and the kicker can re-kick, or if the kicker kicks the ball and gets on base, the captain can choose to either take the ball call or keep the base achieved. *(similar to the free quarter back play in football).

RULE 16- SPORTSMANSHIP

16.1 –All players(s), Visitor(s), and /or Fan(s) of the tournament are expected to conduct themselves in a sportsmanship manner as deemed by the Head Umpire and the League Field Monitors for game conduct.

16.2 –Any conduct deemed unsportsmanlike will not be tolerated. Such conduct includes, but is not limited to: fighting, taunting, verbal abuse, lewd or obscene behavior, threatening behavior, offensive language or comments, excessive delay, stalling tactics and/or collusion.

16.3-Violators face penalties from warnings up to and including ejections, suspensions, and expulsions for the player or team, as determined by the league. If a player has been deemed abusive and has met an extreme threshold, there are corresponding actions, any or all of which may be taken:

Action 1: Player is ejected from the game.

Action 2: Player is suspended for 2 additional games.

Action 3: Player is removed from the tournament

16.4-No warning is required to precede an ejection during a game. Ejections may occur without warning for particularly serious rules violations and/or unsportsmanlike behavior.

16.5-If a player is ejected from a game he or she must leave the park immediately. The game will not proceed until the ejected player has departed the park. If the ejected player has not left the park within 10 minutes of ejection the team of the ejected player will forfeit the game.

16.6-The ejected player must sit out the following game.

16.7-Captains and teams are responsible for behavior of their fans, family and visitors.

16.8-If in the Umpire's judgment one team or the other is demonstrating overall poor sportsmanship or exhibiting dangerous behavior such that continuing the game would further escalate the situation, the Umpire may declare the game a forfeit, disqualify the offending team from that game and or other tournament play, and award the other team the victory.

Rule 17 –Inclement Weather

17.1 Tournament games will be played in light to moderate rain until the field conditions are deemed unplayable by the umpire and tournament director. In the event of a torrential downpour or lightning, games will stop for thirty (30) minutes. After thirty minutes, the weather conditions will be further evaluated for further delay or continuance. If continued, games will proceed, if conditions stay the same or escalate, games will be called and if they were stopped in the 4th inning or further will be official. If games were less than 4 innings, they will be determined by points scored, if tied, both teams will be rewarded one point.

In the event that the fields become unplayable during a game, the tournament will be put on hold for 2 to 3 hours, or until the fields become playable or are dry.

17.2-In the event that heavy rain continues, all games will be put on hold until the rain decrease to a light to moderate rate. Depending on the weather forecast for the day, field conditions and rain flow over a long period of time, tournament officials will meet and determine if the games will be canceled. Unfortunately in the event that the tournament is canceled due to severe weather conditions (rain, hurricane force winds and/or continues lightening) no refunds will be given.

*****All rules set forth are subject to change at any time but only after captains have been notified.**
