

COVID-19 PROTOCOLS & PROCEDURES  
THINGS YOU SHOULD KNOW  
FOR SESSIONS BY KENDRA NEIE PHOTOGRAPHY

- Initially, session availability will be limited. The extra protocols take up a bit more time and will cause a slight reduction in session availability. We will be scheduling sessions with 48-72 hours between each client for cleaning and sanitizing the studio.
- Please be courteous of everyone's health. If you, anyone in your household or that you have been around has had a temperature over 100.4 degrees or Covid like symptoms please contact me to reschedule. We will allow one reschedule.
- Before you leave home, be sure to check temperatures of everyone coming to your session - including yourself - as an extra layer of precaution.
- Masks will be worn by photographer & assistants. We will also have masks available for anyone over the age of 2 to wear while in the studio if you do not have your own.
- A Hand Sanitizing station is available in our studio.
- Sessions will be limited to Immediate Family Members (Mom & Dad) Only. Siblings are asked to be taken from the studio after they have been photographed.
- No outside props will be permitted in the studio for use in sessions other than clothing for sitter sessions and birthday cakes for cake smash sessions.
- Your contract will now include an additional Covid-19 Liability Waiver that must be signed to secure a session.

STUDIO CLEANLINESS HAS ALWAYS BEEN A  
PRIORITY AT KENDRA NEIE PHOTOGRAPHY!
