

## Basic Computer Skills

This class will teach you basic computer skills as they relate to machine embroidery. Using Windows 10, you will learn how to download a design, how to save it to a USB stick. You will also learn to transfer a design from a CD to USB stick. You will also learn to save designs to your hard drive and organize them so you can easily find them. You will create folders, and learn to copy and Paste. For this class you will need to bring your laptop and a USB Drive. Written instructions with Screen clippings Included.
