

PORTRAIT TERMS

**Booking a portrait session with Amber Dawkins Photography signifies your acceptance of the following terms:**

1. Our process starts with a consultation meeting before the session is booked. At this meeting (Zoom, phone, or in person), we will discuss ideas and plans for the session, including location, style, wardrobe, and special requests. Session details may change later at the request of the client or photographer due to personal circumstances or inclement weather.
2. Session payment is due in full on the day of the session. Part of this total is subject to sales tax. At the time of booking, session prices and associated costs are as follows:
  - a. One hour family, senior, or child portrait session with 30 full resolution digital images: \$799
  - b. Three hour lifestyle newborn session with 30 full resolution digital images: \$999
  - c. Add on Options
    - ☐ Extra 30 minutes - \$75 (mandatory for extended families)
    - ☐ Mid-session location change - \$50
    - ☐ Additional 15 digital photos - \$99
3. **Usage rights** include distribution of digital files to friends and family for personal use and printing in unlimited quantities at unrestricted sizes for personal use. Professional/commercial use prohibited.
4. Packages include a web optimized copy of each image for use on social media. These images are watermarked with a small logo.
5. Digital images are not to be altered by the client. Cropping, further editing, or changing these images in any way is prohibited so as to preserve a style of photography that is consistent with Amber Dawkins Photography's name and reputation.
6. In the unlikely event of equipment damage, loss, or theft resulting in the loss of digital product before delivery, Amber Dawkins Photography will work with the client to reshoot the session in full or in part. Should the client choose, a full or partial refund may be obtained instead. Amber Dawkins Photography will not be held liable beyond these measures.
7. Amber Dawkins Photography retains copyright and may use these images for promotional and portfolio purposes.
8. Resale of images is prohibited.

After your digital images are delivered, you'll have the option of buying high quality photo products to display your memories. Using professional photography software and templates, we design these items together to achieve a custom interior design look that fits your family.

1. Three month product payment plans are available upon request.
2. Because orders are custom made, all product sales are final. Products will be inspected by the client upon delivery.
